More informations

Catering

The CityLAB offers no preparation of food or drinks. An independent delivery of catering / beverages is therefore possible.

Staff

We are willing to help with the organisation of the event, but do not provide any service staff.

Entrance / Delivery access

The main entrance has access via a wide staircase (3 steps) and a wheelchair ramp. Delivery by truck is possible. The width of the entrance door is: 2 x 100 cm.

Parking

A public parking lot is directly in front of the entrance.

Guests amount

Please note, that according to legal regulations, a maximum of 199 people may be on the premises at the same time.

Accessibility

Both, event room and conference room, as well as the toilets can be reached via 8 steps (0.5 floor). There is no elevator.

Heating and ventilation

All our rooms are equipped with heating, but there is no air conditioning available.

Hygiene concept

Unfortunately, we can only offer a few analog events at the moment. During the Corona Pandemic, a hygiene concept of the Technology Foundation Berlin applies to all these events.
